

Concrete Council Celebrates October Successes

As we approach the end of October, one of our busiest months, we are reflecting on the turnout and success of our most recent events.

The annual Professional Engineers' Seminar sponsored by *The Korte Company* and *Vee-Jay Cement* was held on Wednesday, October 7th at Bogey Hills Country Club. We achieved a lineup of engaging, insightful speakers, some of whom share their knowledge nationwide. Topics ranged from AI for Civil Engineers, Shrinkage-Reducing Admixtures, Mass Concrete Pouring Plans, and more. About 94 professional engineers were in attendance.

Our annual Scholarship Fund Golf Tournament, sponsored by *Fenix Construction*, took place on Monday, October 19th, also at Bogey Hills Country Club. With 28 teams, 112 golfers, and beautiful weather, it made for a great day of play. Congratulations to our Member Firm Scholarship winner, Brayden Holcmann. **We would also like to recognize Steve Hawkins at Euclid Chemical for getting a hole-in-one.** Congratulations, Steve!

Thank you to all who were able to participate in these events over the course of October. We hope to see even more of you at our [October Networking](#)

[Happy Hour](#) on Wednesday, October 28th from 4 - 6 PM at Helen Fitzgerald's!
